OUR VALUES

SERVICE IS A RESPONSIBILITY

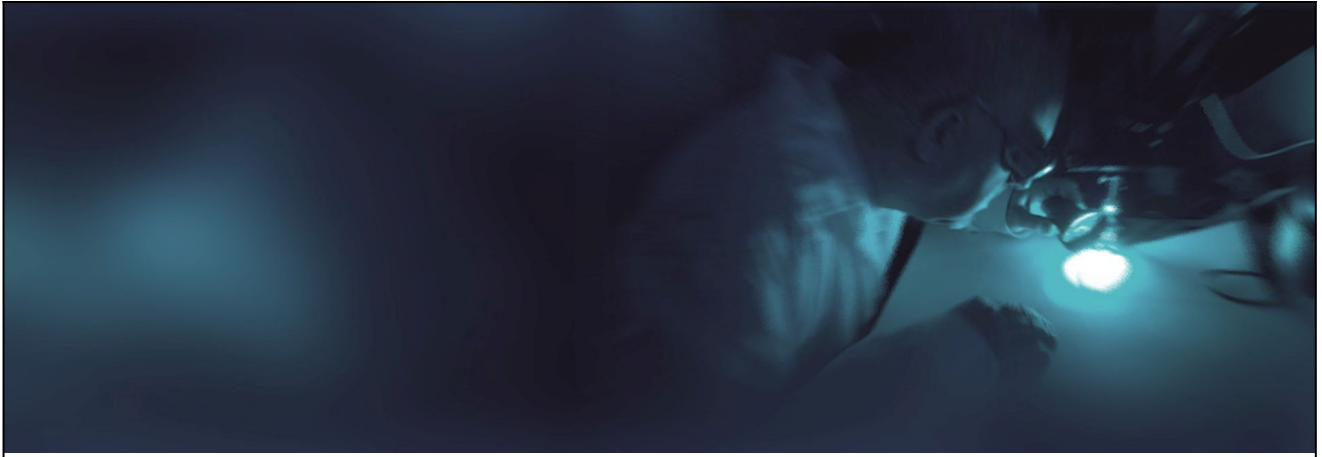

Serving the state is more than just a job - it is a vocation and a profound moral commitment.

By choosing this path, each of us takes responsibility for the safety of our citizens and puts the interests of the state above all else. This principle guides our actions every day

We act in the interests of the state and its citizens.

We carry out our duties in accordance with and within the law, taking full responsibility for every decision and action.

We serve with dedication and readiness to make sacrifices.

PROFESSIONALISM DEFINES EXCELLENCE

We define professionalism as the highest standard of practice, which requires continuous development.

Every day brings new challenges that demand us to adapt, learn and develop new skills.

We set ourselves the highest standards and embrace new challenges.

We constantly improve our expertise and skills.

We use the latest technologies and develop tools to enhance our effectiveness.

COOPERATION MEANS PEOPLE

People are the foundation of making the most of cutting-edge technologies and best practices. The experience, responsibility and teamwork of our staff are the true source of our strength. This translates into high-quality work, resilience in the face of challenges and the trust of our partners.

Our people are the strength and foundation of our success.

We build relationships based on trust and mutual respect.

We tackle our most important and challenging tasks as one team.

COURAGE DEFINES EFFICIENCY

True courage and determination do not mean disregarding risks. It means making even the most difficult decisions with a full understanding of their consequences. True courage requires prudence.

We take on the most demanding and high-stake tasks.

We act decisively and purposefully.

We do not shy away from challenging decisions -we base them on facts, analysis and foresight.
